Rebecca (Becky) lived at St. Francis Apartments since 2016. She had many friends there and was the president of the Resident Council up until this year. Becky was a member of Fellowship Bible Church.

She loved her tea and always had a big jug of tea with her everywhere she went. She enjoyed knitting and reading in her spare time.

She had two kittens that meant the world to her. She will be missed by all, but the memories of her will live on.
